

FOR NEW & EXISTING VEEAM® CUSTOMERS

Veeam Backup *for Microsoft 365*™ Promo

TERMS AND CONDITIONS

SUMMARY

This promo, available July 1, 2022 through December 31, 2022, is for new or existing Veeam customers who have NOT already purchased Veeam Backup *for Microsoft 365* or have NOT had an active Veeam Backup *for Microsoft 365* subscription license within the last 545 days (i.e., 18 months). This promo offers Veeam Backup *for Microsoft 365* subscription licenses at a 15%* discount off normal MSRP (minimum 15 users).

CUSTOMER QUALIFICATIONS

End-customer must NOT currently be subscribed to Veeam Backup *for Microsoft 365*. If end-customer was subscribed to Veeam Backup *for Microsoft 365* in the past, upon PO date, it must have been at least 545 days (18 months) since their last expiration date. If an end-customer qualified previously, they continue to qualify for additional promo purchases until promo is expired.

LICENSING

License delivered is a subscription license that is fully functional with Production level technical support and subject to all terms of Veeam's End User License Agreement, including the Veeam Licensing Policy. If on a combined order with other Veeam products, the 15% off only applies to the new license purchase of Veeam Backup *for Microsoft 365*.
